Self-motivation insideBy M.CarsonThe advice inside this book is presented extremely well. I didn't get the "I've heard this all before" feeling, and the tone is optimistic but realistic. Sometimes I'll read from it in the evening when I know I'm going to have a long day tomorrow. I even pulled it up on my iPod and read from it during a terribly depressing meeting once, and it helped me regroup and come at the issue from a different angle. Many thanks to the author.0 of 0 people found the following review helpful. It is always good for a business owner to have tools to motivate ...By Jack ClarkCan't go wrong with this book.
