Never mind the more expensive gifts -- the guests all took turns passing around the cards. It was a great time-filler while we waited for our food!0 of 0 people found the following review helpful. Fun giftBy Emily DodsI love these cards and love giving them as gifts. People enjoy them, since the ideas take the challenge out of planning fun dates that are budget friendly.1 of 3 people found the following review helpful. Your better off doing it on your own.

These playfully illustrated cards describe 52 dates that won't challenge your budget. After all, a great date really only

requires: a little imagination, the right attitude, and a delightful playmate. They are perfect for afternoon adventures, serious seductions, and romantic rendezvous.
