Money: Master the Game by Tony Robbins: 7 Simple Steps to Financial Freedom:

In today's fast-paced world, it's tough to find the time to read. But with Joosr guides, you can get the key insights from bestselling non-fiction titles in less than 20 minutes. Whether you want to gain knowledge on the go or find the books you'll love, Joosr's brief and accessible eBook summaries fit into your life. Find out more at joosr.com. Is investing money for the future really as hard as it seems, and why is it so important to do it? Discover the secrets to investing successfully to ensure financial security in your retirement. *Money: Master the Game* is an instructional guide for navigating the world of stock markets and investments. It takes the complicated subject of money and retirement planning, and simplifies it by clearly explaining everything you need to know from start to finish. You don't need to pay expensive professionals to manage your finances, and you don't have to be wealthy. Simply commit to saving a portion of your income, and then create a plan to make that money grow. You will learn:

- Why you need to start a 401(k), and how you can do so today
- How to avoid investment traps that will cost you more than they will pay
- How you can set up your retirement plan so that you have a paycheck for life without ever needing to work again.
