Robin Landa : Advertising by Design: Generating and Designing Creative Ideas Across Media before purchasing it in order to gauge whether or not it would be worth my time, and all praised Advertising by Design: Generating and Designing Creative Ideas Across Media:

2 of 2 people found the following review helpful. Five StarsBy CustomerExcellent overview of basic principles.0 of 0 people found the following review helpful. Good Book Needed Fast For College...By Dan-OGood book need for school....'Got it pretty quick, Thanks!0 of 0 people found the following review helpful. Great bookBy Sherrell L.This book was very informative for class but it became very useful when school was out. It allowed me to understand advertising and tag lines as well as how to have a consumer friendly advertisement. Waning it shows you how to advertise by design as well as social media. Great for anyone who is interested in advertisement

A real-world introduction to advertising design in today's industry Advertising by Design is the most comprehensive,

up-to-date guide to concept generation and design for advertising. Step-by-step instructions and expert discussion guide you through the fundamentals, as you develop the deeper understanding that connects the dots and sparks your creativity. Interviews with leading creative directors provide a glimpse into the real-world idea generation process, and case studies of successful ads allow you to dissect both the process and result to discover the keys to effective advertising. This new third edition has been thoroughly updated to reflect the industry's shift from print and TV ads to fully integrated transmedia campaigns, giving you invaluable insight into a broad range of media channels. New concepts and strategies for social media, digital media, pull marketing, creative content, and more are discussed in depth to help you tell an engaging story using every tool at your disposal. Ancillary materials including PowerPoint slides, quizzes, sample exercises and projects, links to video, and other online resources bring this book right into the classroom for a complete introduction to advertising design. Students seeking a career in advertising need the ability to generate idea-driven campaigns and adapt them for use in print, mobile, television, and social media formats. This book provides the well-rounded instruction required to succeed in the digital age. Master the fundamentals of advertising design for a range of media channels Integrate print, web, social media, and more to convey an engaging story Jumpstart your creativity with lessons from top creative directors Build your knowledge base around the reality of modern advertising Effective advertisers blend ideas, information, and entertainment in a way that reaches a range of audiences through a range of media types; this requires deep mastery of idea generation, copywriting, and graphic design. Advertising by Design helps you develop the skills and knowledge today's advertising industry demands.

From the Back Cover The guide to CREATIVE multichannel advertising design Advertising by Design inspires truly memorable advertising ideas and design—ones that encompass the fundamentals of good advertising, a spot-on insight into the target audience, and a complete understanding of the core strategic underpinnings of the brand. Broadened to incorporate tools for conceiving ads across print, mobile, television, and social media channels, the updated and expanded Third Edition allows students and professionals to set themselves apart with a skillset to confidently operate in today's sophisticated multichannel advertising ecosystem. Brand-new material explores all the major concepts, strategies, and design principles for transmedia campaigns, from social media and mobile apps to pull marketing as well as the artful science of generating creative, and unique, branded content. Complete with the fresh voices of top creative directors and a diverse showcase of successful ads, Advertising by Design, Third Edition, is a must-have text for students and instructors of advertising concepts and design strategies, as well as a useful reference for practitioners. About the Author Robin Landa is a distinguished professor in the Michael Graves College at Kean University. An award-winning author, teacher, designer, and branding expert, she has written more than twenty books on advertising, design, and creativity, including such bestsellers as Graphic Design Solutions (now in its fifth edition), Build Your Own Brand, and Nimble: Thinking Creatively in the Digital Age.
