Bob Tricker : Corporate Governance: Principles, Policies and Practices before purchasing it in order to gage whether or not it would be worth my time, and all praised Corporate Governance: Principles, Policies and Practices:

1 of 1 people found the following review helpful. Overall, will recommendBy TanishaExcellent reference text for the subject of Corporate Governance. It covers a wide range of topics but the 3rd edition has more relevant case studies and updated corporate governance codes information.0 of 0 people found the following review helpful. excellent as a current reference on principles and practices of ...By william coffinexcellent as a current reference on principles and practices of CG. good for board members, senior executives of public companies and students studying the subject.0 of 0 people found the following review helpful. This was a set text for a MBA subject.By Janice HadgraftThis was a set text for a MBA subject. It covered a wide range of topics and was well written

Taking an international perspective, Bob Tricker examines different models and theories of corporate governance and applies them in a real world context. The author is highly experienced in this field and his practical discussion

throughout allows students to appreciate the reality of governance. In this new edition corporate governance theories, the governance of corporate risk, and corporate social responsibility and sustainability are all now more prominent. In addition, more emphasis is given to the BRIC nations to reflect their growing importance. An Online Resource Centre accompanies the text and includes: For lecturers: teaching notes for cases in the book, additional cases studies, group exercises, PowerPoint slides, teaching notes for projects and exercises in the book For students: an 'ask the author' forum, a corporate governance blog, links to corporate governance codes and useful websites, additional information on case studies.
