From Springer Publishing Company : Counseling Ethics: Philosophical and Professional Foundations before purchasing it in order to gauge whether or not it would be worth my time, and all praised Counseling Ethics: Philosophical and Professional Foundations:

0 of 0 people found the following review helpful. Five Stars By Customer Arrived as promised. 0 of 0 people found the following review helpful. Oh Textbooks By Van E. Levy It is a very easy read despite it being a text book for my graduate class. It's very relevant, palatable, and informative.

How can philosophy guide our understanding of and approach to counseling ethics and techniques? Moving beyond the standard review of ethical issues and basic problem solving, this highly engaging new text for counseling

professionals features innovative, experiential activities and case studies that promote in-depth thinking about the ethical, moral, and legal issues often confronted by counseling professionals. The book is designed to help counselors develop an appreciation for and confidence in their preferred set of philosophical ethics and become ethically autonomous professionals. To this end, it examines a full range of philosophical approaches to ethics, such as the well-known concepts of ethics codes and laws, as well as the less familiar ideas of existential phenomenology, care ethics, and virtues. Featuring contributions from leading counselor educators and practitioners representing a wide range of expertise in counseling specialties and ethical practice, this text presents ethical practice from a positive, proactive point of view rather than from a reactive or fear-based stance. It provides a solid foundation in ethical decision making, critical thinking, and best practices that will enable counseling professionals to navigate the maze of ethical codes and standards of care, while confidently practicing in a consistently ethical manner. The accompanying Instructor's Manual offers step-by-step guidance on how to facilitate classroom activities and case study discussions, as well as a sample syllabus and a selection of quiz and essay questions to enhance students' understanding of each chapter. The text is congruent with relevant ethical codes and CACREP curriculum standards. Key Features: Provides activity-based learning regarding all the ethical standards and legal issues counselors will face Promotes in-depth critical thinking and a proactive, positive approach to ethical and moral dilemmas Includes examples across all counseling settings and specialties Offers students multiple case examples that make ethical issues realistic and engaging Features Instructor's Manual offering sample syllabus and resources for course activities
