James P. Owen : Cowboy Ethics: What It Takes to Win at Life before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cowboy Ethics: What It Takes to Win at Life:

1 of 1 people found the following review helpful. A must read book with an inspiring message that is visually appealing as well! By G Bryan Cornwall PhD This book is a winner! The message is elegant and impactful and the author is a gentleman. Congratulations James P. Owen on the 10th Anniversary of your "Cowboy Ethics" message that has positively impacted lives. 0 of 0 people found the following review helpful. It was a great book! Simple and particle By john Stovall It was a great book! Simple and particle, good down home common sense that so many of us are lacking in. Treat people with the respect, dignity and stay true to your word. I guess it's the cowboy version of the golden rule! I loved it! 0 of 0 people found the following review helpful. Photography in the book is beautiful. By Stuart E. Bennett Clear, concise, accurate, fundamental truths. Photography in the book is beautiful.

A new approach to business ethics is quietly taking hold in executive suites and corporate boardrooms across America. Frustrated by an epidemic of misbehavior at all employee levels, management teams are getting back to basics back to the idea that personal character and individual responsibility are the ultimate keys to integrity, just as they were back in the days of the Open Range. A decade ago, the book Cowboy Ethics first inspired businesspeople to look to the Code of the West. Once they did, they discovered that its simple, common-sense principles can be more effective guides to business leadership than a truckload of corporate mission statements, rules, and ethics manuals. Cowboys are role models because they live by a code," says author James P. Owen. They show us what it means to stand for something, and to strive every day to make your actions line up with your beliefs. And isn't that as good a definition of integrity as you can find? In the years since, the book's "Ten Principles to Live By" have

been embraced by scores of companies, universities, and even a state government. This updated Tenth Anniversary hardcover edition traces the evolution of this grassroots business movement in brand-new chapters while preserving the inspirational lessons and stunning photography of the original. It's ideal for corporate gifts, the new graduate, business students, or any career person who cares about doing the right thing.

About the Author James P. Owen is a forty-year veteran of Wall Street and is also the Founder and CIO of the Center for Cowboy Ethics and Leadership. He is the bestselling author of *The Try: The Secret to Success in Life and Career*, *Cowboy Values: Recapturing What America Once Stood For*, and *The Prudent Investor*. He resides in Austin, Texas.
