**John B. Molidor : Crazy Good Interviewing: How Acting A Little Crazy Can Get You The Job** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Crazy Good Interviewing: How Acting A Little Crazy Can Get You The Job:

0 of 0 people found the following review helpful. AMAZING book to help you succeed in ANY Interview! By YoussefD "Crazy Good Interviewing" is a MUST READ for anyone who plans on interviewing for jobs or professional schools! I applied to medical school this year and this book was GREAT preparation for my interviews. I have

recommended it to many friends interviewing for professional schools and they have all given me positive feedback. Since my interviews, I have been accepted to medical schools and I give this book a lot of credit. I just want to thank Dr. Molidor for the role he played in my success. This book is definitely worth buying, the feeling after leaving an interview and knowing that your interviewer genuinely wanted you to get the spot is priceless. Read this book if you want to stick out from the crowd in a positive way!!!! 1 of 1 people found the following review helpful. Christmas gift hit!! By Linda Boyd I bought 3 copies of this last year for Christmas. Two were for my young adult sons and one for me, so I could advise my graduate students. It was the second gift my sons opened on Christmas morning and they immediately started reading it and were laughing out loud. After about 30 minutes, I had to interrupt them and ask if they wanted to open more presents! They really enjoyed it, and more importantly, they both got great jobs not long after reading the book. Is there a connection? I have to think so. This book is Crazy Good!! 1 of 1 people found the following review helpful. A little crazy has gotten me this far! By Brian Tesler Dr. Molidor is an inspiring and dynamic person who reminds us that even simple or common sense concepts are easily forgotten when it comes to putting on the show for an interview. The book is easy to follow and a great quick read for those interviewing; especially if under a lot of stress or short on time. This book has come in handy many times for me and I recommend it to friends and colleagues often.

How acting a little crazy and thinking outside of the box can get you the job you want Ever hear of a job candidate stretching out on the interviewer's floor to fill out an application? Or an applicant who sees nothing wrong with texting during the interview? Securing a job interview is a golden opportunity. The crazy-bad behavior described above will not net a job offer. Crazy Good Interviewing shows readers that crazy-good behavior, however, can make an applicant stand out favorably in a sea of mediocrity. Take the candidate who created a keynote presentation on his iPad to show what he could bring to the job or the one who created a DVD highlighting her abilities. Crazy Good Interviewing is a book geared toward those who are looking for work in this tough economy. Addresses how slightly eccentric behaviors can tip the scales in the applicant's favor Delves into how to access your three key strengths, how to use body language effectively, how to prepare a five-sentence history that builds a bridge to the interviewer, and more Turn just plain crazy into crazy-good, and land the job at your next interview.

From the Back Cover Praise for Crazy Good Interviewing "Top Ten Career Books for 2012!" —The Wall Street Journal "Interviewing is a critical skill. Whether you want to get into business school, land your dream job, or separate yourself from the pack, grab this book and enjoy the ride!" —Michael Desiderio, MBA Executive Director, EMBA Council "This hard-hitting handbook is full of useful, practical strategies to ensure you don't get overlooked for that next big opportunity. Buy this book, incorporate the ideas, and take back control of your career." —RORY VADEN, MBA Co-founder, Southwestern Consulting, and New York Times bestselling author of Take the Stairs "This book is an invaluable resource for mastering the challenges of the interview. Get it, use it, benefit from it, and enjoy it!" —Susan A. Maxwell Executive Director, National Association of Advisors for the Health Professions, Inc. Sometimes acting a little crazy can get you the job you want. Crazy Good Interviewing shows how crazy good behavior can make you stand out favorably in a sea of mediocrity. Take the candidate who created a keynote presentation on his iPad to illustrate his strengths or the one who created a DVD highlighting her abilities. An unconventional handbook to job seeking in a tough economy, Crazy Good Interviewing delves into how to access your three key strengths, use body language effectively, prepare a five-sentence history that builds a bridge to the interviewer, and much more! Turn just plain crazy into crazy good, and land the job at your next interview. About the Author JOHN B. MOLIDOR, PhD, is CEO/President of Michigan State University Flint Area Medical Education and a Community Assistant Dean and Professor of Psychiatry at MSU College of Human Medicine, who helps people understand how their brain, communication styles, and interviewing skills can function well together. BARBARA PARUS is Director of Publications for the National Speakers Association in Tempe, Arizona. A Chicago native, she is a versatile and well-established writer, ghostwriter, editorial consultant, and the author or coauthor of three books on human resources — related topics.
