Claude Cellich, Subhash C. Jain : Creative Solutions to Global Business Negotiations, Second Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Creative Solutions to Global Business Negotiations, Second Edition:

Making deals globally is a fact of life in modern business. To successfully conduct deals abroad, executives like you need skills to negotiate with counterparts who have different backgrounds and experiences. This book gives you and other international executives the savvy you need to negotiate with finesse and ease. It offers valuable insights into the

fine points of negotiating and guidelines on delicate issues that can influence a promising deal. The book is divided into five parts: Global business negotiations framework; the role of culture in negotiations and on choosing an appropriate negotiation style; the negotiation process; negotiation tools, such as communication skills and the role of power in negotiations; and miscellaneous topics such as negotiating on the Internet, gender issue in global negotiations, how small firms can effectively negotiate with large firms, negotiating intangibles, managing negotiating teams, developing an organizational negotiation capability and negotiating via interpreters. Clear and comprehensive, the authors outline the hallmarks of strengthening and maintaining a strong bargaining position for negotiating deals even under adverse conditions.
