From Palgrave Macmillan : Crisis, Risk and Stability in Financial Markets (Palgrave Macmillan Studies in Banking and Financial Institutions) before purchasing it in order to gage whether or not it would be worth my time, and all praised Crisis, Risk and Stability in Financial Markets (Palgrave Macmillan Studies in Banking and Financial

Institutions):

This book presents an in-depth appreciation of key topics related to the behaviour of financial institutions in the crisis and stresses areas of major research interest. It covers a selection of papers specialising ranging from the analysis of bank and stock market performance in the crisis, to other areas such as microinsurance and social lending.
