"Have the guts to look inside and admit that while you may be good, you are not the best you can be."By CustomerCultural Transformations is an ideal book for anyone who wants to become a better leader and grow a successful business. I am a small business owner and found the book and individual

interviews with different CEO's to be very helpful and insightful. John Mattone does an outstanding job of sharing his knowledge and passion for leadership and company culture to audiences both small and large. A definite must read. 3 of 4 people found the following review helpful. "Culture predicts operating success" By TTI download an excerpt of the book from johnmattone.com (<http://johnmattone.com/cultural-transformations>). I can't wait to get my copy of the full book. This book goes beyond what we normally think about culture. It provides useful information on how "Culture predicts operating success". I loved the part on succession planning and Cultural Value Proposition (CVP) "A strong CVP foundation leads to: **Capability**; in which leaders and future leaders possess the can do to execute at extraordinary levels **Commitment**; in which they possess the will do **Alignment**; in which they possess the must do" 0 of 0 people found the following review helpful. Four Stars By Customer Amazing book, with great insight from leaders

A Roadmap for Leadership and Cultural Transformation Throughout today's rapidly changing business world, top CEOs face two primary challenges: solving the leadership gap and creating a sustainable corporate culture. International leadership coach John Mattone and CEO magazine editor-in-chief Nick Vaidya unlock the keys to leadership development and cultural transformation through intimate interviews with fourteen CEOs from top organizations, including: Deloitte, Graybar, The North Face, HP Financial, Ovation Brands, Virtusa, and Bigcommerce. Culture was long thought to be merely a 'soft' resource in the corporate equation. However, more and more business leaders are beginning to recognize the necessity of culture when it comes to creating and sustaining long-term growth and change. What is the key to creating a strong business culture? Leadership. The best cultures start with CEOs who set the tone for the rest of the company, guiding others through the often difficult process of corporate transformation. You'll gain valuable insights, through experiences from the finest business minds, on how to introduce and sustain cultural change in your organization. Learn how successful CEOs came to realize their leadership potential Discover the key attributes that increase a leader's effectiveness Uncover your own leadership strengths and development needs Handle the primary obstacles to cultural transformation Address outdated mindsets and resistance to organizational change Mattone and Vaidya also draw upon their own extensive coaching and consulting experiences to provide a powerful and proven 6-Step Process for designing and implementing effective cultural transformations. This process enhances the other valuable tools in this comprehensive guide, so you can start building a positive organizational culture right away.

"It's time to take a hard look at the business culture in your organization, and what has transpired or not been done to set or transform it to a higher competitive level. Your long-term business success in today's world depends on it."
