Deena B. Katz : Deena Katz's Complete Guide to Practice Management: Tips, Tools, and Templates for the Financial Adviser (Bloomberg Financial) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Deena Katz's Complete Guide to Practice Management: Tips, Tools, and Templates for the Financial Adviser (Bloomberg Financial):

0 of 0 people found the following review helpful. An amazing book full of useful information and very appropriate templatesBy Maria MarsalaAn amazing book full of useful information and very appropriate templates. You'll never have to start a template from scratch, Ms. Katz provides you with useable, well thought out templates.2 of 2 people found the following review helpful. Deena Katz's Complete Guide to Practice ManagementBy William DuncanI

would recommend this book to anyone new to the financial planning business, as well as to those currently in the business that need to "tweak" their practice. I will be referring to this book again and again. Thank you for this valuable resource Mrs. Katz. 1 of 1 people found the following review helpful. Great book! By A. S. Montgomery I really liked the fact that this book was based on practical ideas and gave templates that I was able to put onto my desktop and customize for my practice. Highly recommend this book.

Deena B. Katz, CFP, a preeminent authority on practice management and an internationally recognized financial adviser, presents a comprehensive guide to running a professional financial planning practice. To create this book, Katz updated, revised, and combined her two acclaimed books *Deena Katz on Practice Management* (1999) and *Deena Katz's Tools and Templates for Your Practice* (2001). In this newly expanded volume, she presents the essentials on how to help a practice thrive side by side with the tools and templates needed for the everyday operation of your firm. This new volume offers guidance on practice-management issues: setting up an office systems and technology administration and staffing marketing growing as the market changes hanging on to clients for the long term succession planning when the time comes This comprehensive resource provides sample forms, worksheets, templates, letters, brochures, and collateral materials developed and refined by top wealth managers and planners. From keeping the business running well by designing dynamic collateral material, to considering plans for retirement, Deena B. Katz guides advisers through every challenge a financial planning business will face.
