**Takahiro Fukunishi : Delivering Sustainable Growth in Africa: African Farmers and Firms in a Changing World (IDE-JETRO Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Delivering Sustainable Growth in Africa: African Farmers and Firms in a Changing World (IDE-JETRO

Series):

The purpose of this book is to fill the lack of micro evidences on a structural change of African producers. By collecting studies on single industries, we attempt to demonstrate firms' and farmers' responses to the recent economic trend such as growth of demand, emergence of FDI and improvement in infrastructure.
