Peter K. Nevitt, Frank J. Fabozzi : Equipment Leasing (Frank J. Fabozzi Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Equipment Leasing (Frank J. Fabozzi Series):

0 of 0 people found the following review helpful. Equipment Financing Equipment LeasingBy NareshVery good book. Great book for equipment financing and equipment leasing.NareshTrident Leasing Corpwww.tridentleasingcorp.com0 of 3 people found the following review helpful. Incredible Amounts of Info

Inside!By Tracy CongdonThis is an excellent book for anyone who wishes to know EVERYTHING about leases and leasing. It covers how they began and all the different types and I am only half way through with the book at the current time. I would recommend it for those who wish to be on either side of a lease. However for those not in the business it could be some dry reading in the beginning.-Tracy CongdonCongdon Enterprises Financial Services LLC-Business Cash Advances-Business Loans-Credit Card Processing-Equipment Leasing1 of 1 people found the following review helpful. Equipment LeasingBy M. DurginA primer on the law of sales and leases under Articles 2 and 2A of the UCC. Very informative introduction into an industry that can be profitable for both Lessors and Lessees.

Equipment Leasing is a practical reference for financial managers who need background information, and an understanding of how leasing can be utilized as a cost-effective means of equipment financing-especially under the new tax law in the United States. It explores various types of leases, including single investor leases, leveraged leases, tax requirements for true leases' and lease-buy economic analysis. This invaluable resource includes the background and basics of equipment leasing, history of leasing, synthetic leases, financial reporting of lease transactions by lessees, operating a leasing company, and much more.
