Glennon J. Harrison : Europe and the United States: Competition and Co-operation in the 1990s: Competition and Co-operation in the 1990s before purchasing it in order to gage whether or not it would be worth my time, and all praised Europe and the United States: Competition and Co-operation in the 1990s: Competition and Co-operation in the 1990s:

A product of the Committee on Foreign Affairs of the US House of Representatives, this text studies the emergence of a more unified Europe as an economic and political power, and the implications of European integration for the United States.
