**William H. Gross : Everything You've Heard About Investing Is Wrong!: How to Profit in Coming Post-Bull Markets** before purchasing it in order to gage whether or not it would be worth my time, and all praised Everything You've Heard About Investing Is Wrong!: How to Profit in Coming Post-Bull Markets:

0 of 0 people found the following review helpful. Too short and SimplisticBy M6Gross could've added more value for being the bond king. A lot of it was common sense type of information and didn't really delve too much into strategies, but rather an description of various products and their history. I wish Gross provided more substance and advanced

analysis. I also didn't like the format where he began each chapter about a story about his life. Some of them were good but others were filler information in an already short book. I wish he focused more on the investing themes and elaborated about his mistakes and decision making process. 0 of 0 people found the following review helpful. Predictions are what Gross gets paid for. By Rick Andrew Gross predicted: the future won't be volatile. Gross advised: stock up on mortgage-backed securities. Where are the customer's yachts? They're not at the Balboa Yacht Club. Gross' yacht is. 0 of 1 people found the following review helpful. Five Stars By Ester Sevenard AAA+++

One of today's best money managers heralds the onset of a new financial era, in which the rules for investors will be dramatically different. With wit and humor, Gross details recommended strategies, revealing where the markets are headed--and how to ride them to success.
