Thomas E. Johnson : Export/Import Procedures and Documentation (Export/Import Procedures Documentation) before purchasing it in order to gage whether or not it would be worth my time, and all praised Export/Import Procedures and Documentation (Export/Import Procedures Documentation):

0 of 0 people found the following review helpful. Good, but too general.By hjavierThis item is a good source of general information, but it does lack more detailed information on various subjects it touches on.21 of 21 people found the following review helpful. Most comprehensive in the marketBy Ankit JainAs the title suggests, this is a documentation book and does this job really well. I bought this book as a novice without any knowledge of the procedure and I can comment that now I have good knowledge of the process. Small companies can benefit and may

need only 1/4 of this book and large organizations can search from the huge pile of information. Even if you are starting out a small export business, this is one book you should refer to. 0 of 0 people found the following review helpful. GoodBy Min Xin Dong Brand new. Good condition

"In the ever-changing world of complex international rules, laws, regulations, and customs, even seasoned export/import professionals may find themselves in unfamiliar situations. *Export/Import Procedures and Documentation* puts reliable solutions to problems like wrong documents and procedural misunderstandings right at readers' fingertips. This comprehensive answer book supplies ready-to-use forms and provides a clear view of the entire export/import process. This new edition has been thoroughly revised to include: * New Shipper's Export Declaration forms and instructions * U.S. Customs Service "Reasonable Care" checklists * New Automated Export System (AES) procedures and documentation * Updated Customs Audit Questionnaires. Also featured are 37 updated forms as well as 12 all-new forms, a section on e-commerce in international marketing, Websites for 94 export and import agencies and information sources, and listings for export and import software. "
