Why hypocrisy kills leadershipBy M G HUTCHESONIf the best definition of a leader is 'someone who has followers' Gardner very succinctly explains that great leaders have followers because they have values, cahracter and a story that others can believe in and wish to support or emulte. But that world-view or story has to be borne out in the lives and actions of those leaders. Very thoughtful, well researched and convincing.0 of 2 people found the following review helpful. book on leadership. One of the best. Thoroughly enjoyed. 1 of 3 people found the following review helpful. Slow and pedantic. A pompous writing style. The ...By Michael Price Slow and pedantic. A pompous writing style. The individual biographies were interesting, but the introduction was too long.

Drawing on his groundbreaking work on intelligence and creativity, Harvard psychologist Howard Gardner, developer of the theory of Multiple Intelligences, offers fascinating revelations about the mind of the leader and his or her followers. He identifies six constant features of leadership as well as paradoxes that must be resolved for leadership to be effective using portraits of leaders from J. Robert Oppenheimer to Alfred P. Sloan, from Pope John XXIII to Mahatma Gandhi.
