Elise is a strong and driven business leader who, through my personal experience with her, was also always there for her husband and children. She is a successful inspiration on leadership, on personal growth, and understanding that there are seasons of life, which you must embrace as you can. As the book says, she had her own personal enlightenment during her journey, a reminder that we can have it all, but maybe not all at the same time. If you are a business leader, If you are a young business person searching for how to get ahead, If you are trying to integrate business and family, this is the book you must read.3 of 3 people found the following review helpful. Love the energy and passion throughout this bookBy CustomerLove the energy and passion throughout this book. A true leader is one who can share those bumps and bruises along the way hoping that others can learn from the valuable insights. Elise Mitchell's story shows real-life examples of how she built her company from her kitchen table to a multi-million dollar business though hard work, passion and a humble and giving heart. Love the analogy of always looking through the turn which is a motorcycle theme for bike riders. It applies so well to the real business world, as well as personal life. And, I loved the honesty and sharing of her own personal struggles from time to time while learning how to balance her personal and work life balance. A great read!3 of 3 people found the following review helpful. A Must Read with actionable take awaysBy CustomerGreat book, well written and fun to read. I am learning so much and I feel like I am gaining insight on how I can grow my own business while maintaining close relationships with my clients. Great ideas are included to help anyone in business at any level. I enjoy the motorcycle stories and how Elise relates her personal experience of success and failures. This book has given me the motivation and the "how to" to take the next steps to develop my business and to help build a team that can also prosper.

THE JOURNEY MATTERS AS MUCH AS THE DESTINATION.Scrap the map and go full throttle. Most leadership books tell you how to set and achieve goals. This one is different. This one is written by a communications leader whorsquo;s as passionate about riding motorcycles as she is about running her business. Her name is Elise Mitchell, and she wants to tell you about her journeymdash;from starting her own agency to building a world-class brand to enjoying the ride along the way. But mostly, she wants to talk to you about your journeyhellip; Ask yourself: WHERE DO YOU WANT TO GO?Pick a destination. Not just for your career, but for your life. Answer this: HOW DO YOU PLAN TO GET THERE?Look at the road ahead. Then plot your course.But be prepared for some major twists, turns, and detours. Most importantly: ARE YOU ENJOYING THE JOURNEY?If not, maybe you need to throw away the map. Restart your engine.And get ready for the ride of your life. Whether yoursquo;re just stepping into leadership an accomplished leader seeking something more, or simply stalled along the way, Mitchellrsquo;s refreshing approach to modern leadership will help you navigate the curves and pit stops on your own path to fulfillment. You donrsquo;t need a motorcycle. You just need to get revved up for the road ahead.

"I've met countless entrepreneurs through the years who have built great companies. But Elise is a one-of-a-kind leader with a story to match. When we bought her agency, we knew we were getting more than just a business strategist, we were getting a leader of character and commitment who could help Dentsu realize its global aspirations. This book shares her incredible story as well as the stories of many other exceptional leaders who will inspire you to lead at your best."

Yuzuru Kato Former Executive Vice President, Member of the Board, Dentsu Inc. President and CEO, Video Research Ltd.

"I've worked with many experts across a variety of industries, but Elise is that rare combination of savvy business-builder, authentic leader and passionate advocate for others. In *Leading Through the Turn*, she shares stories from the trenches of entrepreneurship that will change your attitude about both success and significance. If you want to lead in remarkable ways, this is your roadmap."
