M. McCloskey : Learning Leadership in a Changing World: Virtue and Effective Leadership in the 21st Century before purchasing it in order to gage whether or not it would be worth my time, and all praised Learning Leadership in a Changing World: Virtue and Effective Leadership in the 21st Century:

Learning Leadership in a Changing World provides direction and support in the form of the 4R Model of Leadership—a theoretically sound, conceptually straightforward, and educationally powerful framework.

About the Author Mark McCloskey is Professor and the Lead Faculty and Program Director at Bethel University.
