From Asian Development Bank : Least Developed Sucos: Timor-Leste (Pacific Studies) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Least Developed Sucos: Timor-Leste (Pacific Studies):

Timor-Leste has committed to creating fair and inclusive opportunity. To assist the pursuit of this goal, the paper assesses the distribution of opportunity in the sucos (i.e., village) level. This publication identifies the least developed sucos that mostly need extra support.
