In this practical guide, Emmy Award-winning public broadcasting anchor Steve Adubato teaches readers to be self-aware, empathetic, and more effective leaders at work and at home. His powerful case studies spotlighting dozens of leaders—from Pope Francis to New Jersey governor Chris Christie—are complemented by concrete tips and tools based in real-life scenarios. With *Lessons in Leadership*, readers can learn to steer others through difficult economic times, to mentor rising leaders, to provide straight talk to underperforming employees, and even how to lead a company through a significant change.
