praised *Life After...Business and Administrative Studies: A practical guide to life after your degree (Life After University)*:

Thousands of students graduate from university each year. The lucky few have the rest of their lives mapped out in perfect detail; but for most, things are not nearly so simple. Armed with your hard-earned degree the possibilities and career paths lying before you are limitless, and the number of choices you suddenly have to make can seem bewildering. *Life After a Business and Administrative Studies Degree* has been written specifically to help students currently studying, or who have recently graduated, make informed choices about their future. It will be a source of invaluable advice and wisdom to business graduates, covering such topics as: Identifying career paths that interest you Seeking out an opportunity that matches your skills and aspirations Staying motivated and pursuing your goals Networking and self-promotion Making the transition from scholar to worker The *Life After University* series of books are more than simple 'career guides'. They are unique in taking a holistic approach to career advice - recognising the increasing view that, although a successful working life is vitally important, other factors can be just as essential to happiness and fulfilment. They are the indispensable handbooks for students considering their future direction.
