**From Palgrave Macmillan : Life After Debt: The Origins and Resolutions of Debt Crisis (International Economic Association Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Life After Debt: The Origins and Resolutions of Debt Crisis (International Economic Association Series):

This volume provides a pluralistic discussion from world-renowned scholars on the international aspects of the debt crisis and prospects for resolution. It provides a comprehensive evaluation of how the debt crisis has impacted Western Europe, the emerging markets and Latin America, and puts forward different suggestions for recovery.
