Sally Longson : Life After... Social Studies: A Practical Guide to Life After Your Degree before purchasing it in order to gauge whether or not it would be worth my time, and all praised Life After... Social Studies: A Practical Guide to Life After Your Degree:

Thousands of students graduate from university each year. The lucky few have the rest of their lives mapped out in perfect detail; but for most, things are not nearly so simple. Armed with your hard-earned degree the possibilities and career paths lying before you are limitless, and the number of choices you suddenly have to make can seem bewildering. *Life After ...* Social Studies has been written specifically to help students currently studying, or who have recently graduated, make informed choices about their future lives. It will be a source of invaluable advice and wisdom to business graduates (whether you wish to use your degree directly or not), covering such topics as: Identifying a career path that interests you Seeking out an opportunity that matches your skills and aspirations Staying motivated and pursuing your goals Networking and self-promotion Making the transition from scholar to worker Putting the skills you have developed at university to good use in life. The *Life After ...* series of books are more than simple 'career guides'. They are unique in taking a holistic approach to career advice - recognising the increasing view that, although a successful working life is vitally important, other factors can be just as essential to happiness and fulfilment. They are the indispensable handbooks for students considering their future direction.
