**From Palgrave Macmillan :** *Literary Careers in the Modern Era* before purchasing it in order to gage whether or not it would be worth my time, and all praised *Literary Careers in the Modern Era*:

This is the first study of the shape and diversity of the literary career in the 20th and 21st centuries. Bringing together essays on a wide range of authors from Australia, Canada, the United States and the United Kingdom, the book

investigates how literary careers are made and unmade, and how norms of authorship are shifting in the digital era.
