the following review helpful. Nothing in this book that you can't find onlineBy GreyDo NOT waste your money. This book offers NOTHING that you will not easily find online yourself. I was really hoping that this book would offer some deeper insight about finding a job in the UK. Instead of listing employment agencies in England it just simply states, "employment agencies in the UK are a good place to start. Look them up online." Really? That is NOT helpful. Or it states, "The address of your local jobcenter is in the local phone book" "job vacancies are advertised in local and national newspapers." Ummm..hello? If I'm reading this book I'm clearly NOT local!!!!Overall this book was just extremely UNhelpful and didn't offer anything you wouldn't think of yourself if you have one ounce of common sense.Don't buy it!

Britain has long been a magnet for people from abroad attracted by its way of life and healthy economy: the recent influx of people from new member countries of the European Union has only increased the trend. Live Work in Britain is a complete guide to daily life, from finding a home to the art of queuing, all illustrated with first-hand accounts from people living in Britain. This book is part of the popular Live Work series and is full colour, with numerous maps and photographs throughout. Set out so the information is easily accessible, the book guides you through the practicalities of a move to Britain, from setting up home to finding a job and enjoying time off. In particular, it gives advice on renting accommodation in the major cities, opening the right bank account, finding your ideal home and getting used to the British way of life. There is also easy access to urgent information such as emergency phone numbers. The employment section of the book covers vital information, such as information on business etiquette, the skills and trades most in demand, permanent, seasonal and temporary work, salaries, working hours and holidays, trade unions and contracts, starting or buying your own business and sources of advice and assistance. "Essential information for anyone considering making the move" The Times lquo;Excellent seriesrdquo; The Times

Essential information for anyone considering making the move -- --The Times Excellent series --The TimesAbout the AuthorNicola Taylor was brought up in England and has lived and worked in various parts of Britain. She moved to Scotland in 1994 and since then has set up a relocation agency, Highland Dreams and a weddings agency. She is now building a successful short-term lettings business, Glasgow City Flats, which provides accommodation for travellers, business people on short-term contracts, and other visitors to the city.
