J. Robertson : Localizing Global Finance: The Rise of Western-Style Private Equity in China (Palgrave Pivot) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Localizing Global Finance: The Rise of Western-Style Private Equity in China (Palgrave Pivot):

Localizing Global Finance illustrates that private equity has become a more significant component of China's economy based on a pattern of new domestic elites importing and implementing a largely Western financial model.
