**Tarak Nath Sahu : Macroeconomic Variables and Security Prices in India during the Liberalized Period** before purchasing it in order to gage whether or not it would be worth my time, and all praised Macroeconomic Variables and Security Prices in India during the Liberalized Period:

The liberalization and globalization of the Indian economy has made India more vulnerable to macro issues. This book provides a comprehensive analysis of the dynamic relationship between macroeconomic variables and stock prices in India. The research findings and policy implications discussed here may also be relevant for other emerging economies.
