Peter Atrill, Eddie McLaney : Management Accounting for Decision Makers before purchasing it in order to gauge whether or not it would be worth my time, and all praised Management Accounting for Decision Makers:

It has never been more important for businesses to operate within a framework of strategic planning and decision making. This popular text teaches you how to make the best choices in managerial and other business roles. Please note that the product you are purchasing does not include MyAccountingLab. MyAccountingLabJoin over 11 million students benefiting from Pearson MyLabs. This title can be supported by MyAccountingLab, an online homework and tutorial system designed to test and build your understanding. Would you like to use the power of MyAccountingLab to accelerate your learning? You need

both an access card and a course ID to access MyAccountingLab. These are the steps you need to take:

1. Make sure that your lecturer is already using the system. Ask your lecturer before purchasing a MyLab product as you will need a course ID from them before you can gain access to the system.
2. Check whether an access card has been included with the book at a reduced cost. If it has, it will be on the inside back cover of the book.
3. If you have a course ID but no access code, you can benefit from MyAccountingLab at a reduced price by purchasing a pack containing a copy of the book and an access code for MyAccountingLab (ISBN:9781292072531).
4. If your lecturer is using the MyLab and you would like to purchase the product... Go to www.myaccountinglab.com to buy access to this interactive study programme. For educator access, contact your Pearson representative. To find out who your Pearson representative is, visit www.pearsoned.co.uk/relocator
