Peter F. Drucker : Management Cases, Revised Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Management Cases, Revised Edition:

0 of 0 people found the following review helpful. Five StarsBy Geoffrey VegaSuper good item A++2 of 3 people found the following review helpful. Don't by it on its ownBy BagirtanWaste of money if you don't have the actual theory book. Most of the cases are summary and result of strategy. It doesn't really tell how strategy was implemented0 of 0 people found the following review helpful. Five StarsBy CustomerAll exactly as expected

The companion to Drucker's seminal work Management, completely revised and updatedManagement Cases, Revised

Edition is a collection of thought-provoking case studies—each a timeless representative of a challenge that all managers will face at some point in their careers. Longtime Drucker colleague, collaborator, and eminent management professor Joseph A. Maciariello has organized the material to be used in conjunction with *Management*, Revised Edition, making the book particularly useful in undergraduate, MBA, and executive education classrooms. It contains fifteen completely new cases written especially for this edition plus another thirty-five revised and updated cases, ensuring that the book provides comprehensive coverage of the most important management dilemmas and most timeless leadership wisdom. An essential resource for business students and working professionals alike, the book will help readers test and hone their management skills.

About the Author Peter F. Drucker is considered the most influential management thinker ever. The author of more than twenty-five books, his ideas have had an enormous impact on shaping the modern corporation. Drucker passed away in 2005.
