Geoffrey A. Hirt, Stanley B. Block : Managing Investments before purchasing it in order to gage whether or not it would be worth my time, and all praised Managing Investments:

Geoffrey Hirt and Stanley Block's books on investing have sold more than 1 million copies to date. Now Managing Investments brings their work to a whole new audience, providing financial professionals and sophisticated individual investors with a detailed and comprehensive look at stock and bond investing. From how to select appropriate investments to higher level strategies for evaluating a portfolio's risk/return ratio, the books's rigorous analyses

and numerous examples will help readers apply state-of-the-art theory to the real world of investing.

About the Author Geoffrey A. Hirt, C.F.A. is a full professor of finance at DePaul University. Stanley B. Block teaches financial management and investments at Texas Christian University.
