Frank J. Fabozzi, David Yuen : Managing MBS Portfolios (Frank J. Fabozzi Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Managing MBS Portfolios (Frank J. Fabozzi

Series):

Managing a portfolio of mortgage-backed securities requires an understanding of the unique risk/return characteristics of these securities—and the use of specific tools for constructing a portfolio to satisfy investment objectives. *Managing MBS Portfolios* explores mortgage-backed securities and describes the wide range of agency and non-agency MBS available, while providing the analytical tools necessary to effectively manage portfolios. With *Managing MBS Portfolios* you can finally start enhancing returns on your portfolio and safely control risk at the same time.

From the Back Cover Managing a portfolio of mortgage-backed securities requires an understanding of the unique risk/return characteristics of these securities—and the use of specific tools for constructing a portfolio to satisfy investment objectives. *Managing MBS Portfolios* explores mortgage-backed securities and describes the wide range of agency and non-agency MBS available, while providing the analytical tools necessary to effectively manage portfolios. With *Managing MBS Portfolios* you can finally start enhancing returns on your portfolio and safely control risk at the same time. About the Author Frank J. Fabozzi is editor of the *Journal of Portfolio Management* and an Adjunct Professor of Finance at Yale University's School of Management. Frank is a Chartered Financial Analyst and Certified Public Accountant. He is on the board of directors of the Guardian Life family of funds and the BlackRock complex of funds. He earned a doctorate of economics from the City University of New York in 1972 and in 1994 received an honorary doctorate of Human Letters from Nova Southeastern University. Frank is a Fellow of the International Center for Finance at Yale University.
