3 of 4 people found the following review helpful. All of Tom Carr's books are good and this one was no exception.  
Customer: All of Tom Carr's books are good and this one was no exception. Great wisdom on combining fundamental and technical trading plus being long and short to neutralize risk.  
4 of 6 people found the following review helpful. Another great book from Dr. Stoxx.  
By Matthew Francisco: Tom Carr has written this book in his usual clear and concise manner, he provides a valuable insight into combining technical analysis with fundamental analysis. Like "Trend Trading for a Living" the book gives a method for applying the ideas detailed in the book. For an intermediate trader like myself it gives a head start into trading. He is cognizant of the costs involved with trading and includes low cost options for the likes of me trading a relatively small account. This book builds on the ideas in "Trend Trading for a Living" and is a valuable addition to the library of traders of all account sizes and experiences.  
5 of 8 people found the following review helpful. Back tested many stock picks over a 2 year period and the results were not good.  
By tommy: It's a theory that doesn't work. Back tested many stock picks over a 2 year period and the results were not good.

**STOCK TRADING DOESN'T GET ANY EASIER THAN THIS. THE PROVEN TWOFOLD METHOD OF STOCK TRADING THAT HAS EVERYBODY TALKING** Believe it or not, anyone can be a successful trader, even if you have no MBA, no financial background, and no interest in business. Bestselling author Thomas Carr (a.k.a. Dr. Stoxx) has developed a trading system so easy to use that virtually anybody can achieve steady growth whether the market is up, down, or sideways. How is this possible? By integrating the two most popular trading approaches--technical and fundamental analysis--into one easy-to-use market-neutral system. Learn how to: Manage your stocks with one simple weekly routine Create a portfolio that reduces risk while increasing returns Maximize profit potential using a multistrategic approach Generate steady trading income over both short and long terms Build a million-dollar account that just keeps on growing Based on 12 years of historical testing and real money experimentation, this proven approach to successful stock trading provides seven strategic methods that anyone can master. You'll learn how to use the best available information to find the best possible stocks, positioning your money for growth no matter what happens in the market. You'll discover the easiest automated tools to build and adjust your stock portfolio--without wasting hours scanning through endless charts and financial reports. With Dr. Carr's system in place, you can show outsized returns in both bull and bear markets. Forget worrying about future market direction! With "market-neutral trading," you can profit like a pro whether the markets skyrocket or collapse. All you need is a little persistence to make these market-neutral systems work in any economy. Stock trading doesn't have to be complicated. Dr. Carr's *Market-Neutral Trading* is the simplest, smartest way to get more bang for your buck. **PRAISE FOR MARKET-NEUTRAL TRADING:** "From the first quote to the final words, *Market-Neutral Trading* is as highly inspirational as it is brilliantly educational. A phenomenal synthesis of all existing and often conflicting trading wisdom. Drink it in, follow its lead, and this book will help you to soar to the promised land of profitable trading, virtually guaranteed!" -- Garry Gladstone, U.S. Investing Championship Winner "I read many books regarding trading, but when I read [Dr. Carr's] *Trend Trading for a Living*, it became a must reference on my trading bookshelf. *Market-Neutral Trading* is another must-have book for the serious trader. Dr. Carr is again revealing new trading tools to navigate the ever-changing world of trading markets." -- Sam Chab, Financial Analyst, Defense Industry "Full of practical advice, *Market-Neutral Trading* is an easy-to-understand explanation of how technical analysis works for your living financially." -- Senuadi Tandun, MBA, CFP, QWP, AEPP, a member of the Financial Planning Advisory Board of Indonesia, practicing financial planner, and active investor "Market-Neutral Trading is a low-risk hedging strategy with strong consistent returns in volatile markets. The best part is that it only takes a little time each week with little monitoring." -- Randy Russell, CFP, Senior Financial Advisor, Metro Atlanta District, VALIC Financial Advisors, Inc. "I love Dr. Carr's unique take on the marketplace. His ability to blend technical and fundamental analysis in ways that work is simply unmatched." -- Jeffrey Gibby, Senior Vice President, New Business Development, Metastock
