Philip Kozel : Market Sense: Toward a New Economics of Markets and Society (New Political Economy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Market Sense: Toward a New Economics of Markets and Society (New Political Economy):

This book concentrates upon the historic associations of the marketplace in the work of Aristotle, Adam Smith, Karl

Marx, and demonstrates how what markets were imagined to entail for society was critical to each author's understanding of the central social problems of their time.
