Thomas Bieger : Marketing Concept - The St. Gallen Management Approach before purchasing it in order to gauge whether or not it would be worth my time, and all praised Marketing Concept - The St. Gallen Management Approach:

This book presents marketing and business processes as an integral part of the St. Gallen Management Model. The book addresses relevant topics such as market analysis, marketing planning, marketing strategy, positioning, application of marketing tools, product design, price, distribution and communication policy, service provision, innovation and controlling processes. This book aims at students in the first year as well as at practitioners who want

to obtain a quick overview of this field.
