Four StarsBy Customer ATXGood book to learn a little about some of the most notable real estate gurus.0 of 0 people found the following review helpful. Good insight into how the real estate legends did it!By A. JonesThis is a useful and interesting book for real estate investors. The reader will gain insight about investing in Real Estate Investment Trusts (REIT's) as well as some practical analysis of how the big players put their deals together. Although the information is not presented as a step by step "how to manual", the information can easily be translated into direct investment strategies for the small investor. The author's emphasis on real estate cycles, focus (on property type), leverage and strategy are important and useful concepts for all real estate investors. Overall, a good read for those interested in real property as an investment.0 of 0 people found the following review helpful. For beginners it's a good start.By CustomerQuiet basic information. If your an advanced Realestate investor looking to scale up this isn't for you. If your just starting out its probably pretty relevant

"This well-researched book provides insight not available elsewhere...this superb book rates a solid 10." -- Robert J. Bruss Iman News, March 30, 2004 "This well-researched book provides insight not available elsewhere...this superb book rates a solid 10."mdash;Robert J. Bruss Iman News, March 30, 2004From the Inside FlapWithout question, more wealth has been created through real estate than almost any other asset class. But while successful real estate investors make their endeavors look easy to the casual observer, looks can be deceiving. The truth is, for those with limited real estate investment experience, entering into this arena can be confusing as well as costly. That's why you need Maverick Real Estate Investing. This book will show you how to buy and sell property like the experts. By listening to some of the world's most successful real estate Mavericks--those you'll meet in these pages--you'll uncover a plethora of valuable, time-tested advice and strategies to help you make the most of any real estate transaction. Maverick Real Estate Investing introduces you to a group of innovators who have built substantial fortunes through astute deal making and visionary thinking. Some--like Donald Trump, Sam Zell, Eli Broad, Paul Reichmann, Samuel LeFrak, and Melvin Simon--are well known. Others--including Walter Shorenstein, Hamid Moghadam, Gerald Hines, John Kukral, and Stuart Hornery--keep a much lower profile, but have enjoyed similar success. You'll learn what sets these Mavericks apart from the rest of the pack, and see how to apply their proven principles to your own real estate deals. Among other things, this book reveals the secrets to: Making a good deal Using other people's money Establishing cash flow targets Finding a nearly perfect location Getting good legal and tax counsel Overcoming negative responses Selling to your advantage Each chapter in Maverick Real Estate Investing examines these and other rules for success, while giving you specific examples of how they have been effectively applied over the years by the Mavericks themselves. While the first part of every chapter looks at the theories behind each guideline, the second half provides a brief biography of the colorful career of the Maverick or Mavericks who best demonstrate the particular axiom in action. That way, you can see how these moguls began and were able to expand their respective companies into the powerhouses they are today. It's often said that real estate is about the only sure investment a person can make. This couldn't be further from the truth. Real estate is--and always has been--a gamble. With help from the Mavericks, you'll be able to stack the odds in your favor. Maverick Real Estate Investing will put you on the right path by giving you the knowledge you need to reduce the risk of buying and selling property, while improving your chances for making every deal a profitable one.
