John O'Gorman : Psychology as a Profession in Australia before purchasing it in order to gage whether or not it would be worth my time, and all praised Psychology as a Profession in Australia:

About the Author Professor O'Gorman commenced as ACU National's Pro-Vice-Chancellor (Quality and Outreach) in

2003 and is based at the Brisbane Campus. Before joining ACU National, Professor O'Gorman was Foundation Professor of Psychology and Head of the School of Applied Psychology in the Faculty of Health Sciences at Griffith University, and was for 10 years Dean of Health Sciences at that university.
