**Matthias Beck, Sara Melo : Quality Management and Managerialism in Healthcare: A Critical Historical Survey** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Quality Management and Managerialism in Healthcare: A Critical Historical Survey:

Quality Management and Managerialism in Healthcare creates a comprehensive and systematic international survey of various perspectives on healthcare quality management together with some of their most pertinent critiques. It reviews the factors which have underpinned the managerialist trajectory of healthcare management over the past decades.

About the Author Sara Melo, PhD is a Lecturer in Management at Queen's University Management School in Belfast. Previously she worked as a Research Fellow and Project Manager at Trinity College Dublin and as a Teaching Fellow at The York Management School, University of York where she received her PhD in Management.
