From Palgrave Macmillan : Quo Vadis: World Economy and Institutions at a Crossroads before purchasing it in order to gauge whether or not it would be worth my time, and all praised Quo Vadis: World Economy and Institutions at a Crossroads:

This study addresses the two major challenges facing the global economy: globalization and the European structural crisis. In addition, it takes a closer look at the impact of this on the Italian economy. The findings reflect on the issue

of long term growth and suggest ways in which to create sustainable financial conditions for the future.
