we always reads as we wants to get anything useful beneficial. this book give you shortway of that all human experience through civilizations.this book appeals to feel good be positive and we can always see the examplaries in all around the world.the west is knowing the very life pertaining facts which are indirectly messaged through ours spiritual works. if credited then our life will be whole more good. i myself had been taught by a school principal when we are in New Delhi for a world quiz. i didnt took it most seriously then but as when i come to know i got the point-

the man has made. from students to all it is a must read book. i usually donot write any review but this is the greatest thing i had discovered in my life. this committed to human welfare . i am a student --yesman on Dec 24, 2011I was so amazed when i first saw this movie...somethings i already knew but was not able to use them in my day to day life,thinking its my imagination or this kinda stuff does not exists..but after watching this movie,i got a lot of positive energy and now am trying to apply this in my life.frankly till now i have not experienced more but its maybe coz i have not asked for it!!but one thing am sure of is that what we are today is because of our past thinking and actions.so guys think positive and universe is just a copy cat whatever you will behave,it will act accordingly! you will cry,it will make you more cry,you will smile even in your worst times,it will make you happy in real..so go for it..give it a try!! and think positive!!god bless all!! --Gurmani Kaur on Aug 20, 2011This book is a blessing in disguise. A must read for all those who really want to bring a change in their lives. The teachings are true and has some great effects if you really believe. I bought this book some 3 years back when I had lost all hope. It teaches you to be happy and stay positive no matter what and to only focus on your goal and visualize them. The book has some real life examples from past and present which will help you to strengthen your belief. I recommend you to read this with an open mind without judging. I can guarantee a that it will have a lasting effect. --ankita rawat on Aug 28, 2012
