From Palgrave Macmillan : Re-Examining EU Policies from a Global Perspective: Scenarios for Future Developments before purchasing it in order to gage whether or not it would be worth my time, and all praised Re-Examining EU Policies from a Global Perspective: Scenarios for Future Developments:

New perspectives and analyses of key European policies through their past successes and failures, present challenges such as the global financial crisis and future developments. This book captures a critical turning point in the functioning of European policies and highlights the necessity of quick adjustments for critical new global developments.
