Kallen Diggs : Reaching the Finish Line: A Practical Guide to Discovering the Champion in You before purchasing it in order to gage whether or not it would be worth my time, and all praised Reaching the Finish Line: A Practical Guide to Discovering the Champion in You:

0 of 0 people found the following review helpful. This book was recommended in my writing group and since it was a ...By Cheryl!This book was recommended in my writing group and since it was a free download at , I thought I would

read it. I liked the first chapter, "Are you Ready?" due to the inspirational quotes and conversational tone. I felt that most of the book was geared towards someone who does not have their college degree (which I do). I did skim through it and it seemed very detailed and well researched. There was a section in Chapter 9 dedicated to writers which is useful and I wasn't aware about many of the websites listed. This section was also very detailed and well researched. I would recommend this book for someone in search of a new career especially if they did not have their college degree. There is even a chapter about how to go to college for free. 0 of 0 people found the following review helpful. Kallen knocked this one out of the park! A ...By Jay KaliKallen knocked this one out of the park! A really smooth read and packed FULL of information for you to Reach the Finish Line in life. He explored a lot of areas for people regardless of having a high school diploma or not as well as how to get a college education for free. If you are in a position where you need to take a new journey in life and are ready to learn what you can do to change your current situation, then buy this book. 1 of 1 people found the following review helpful. Informative and inspiring! By YummI have decided to continue my education that I gave up on 20 years ago. This book has gave me insight into solutions I did not know exist regarding financing...which I am having trouble with at this time. Implementing the instruction that Kallen has provided will allow me to complete my degree successfully this time around. I'm so excited and happy that I can see the light now!

For some people, a goal is just a good idea. For others, a goal is a necessary requirement before one embarks on their quest. Most people are stuck in their jobs due to a lack of faith in their potential. "Reaching The Finish Line" shares research and discoveries on what hinders people from reaching their goals and what people can do to become successful achievers. You will learn several life changing opportunities that are rarely known by the public. *How To Find A Great Career Without A HS Diploma *How To Graduate With A Bachelorr's Degree In 1 Year *How To Change Careers Without Going Back To College *How To Work From Home For The Rest Of Your Life *How To Make A 6 Figure Salary In Real Estate Without A License or Prior Experience "Reaching The Finish Line" includes in-depth chapters offering you a variety of career options, based on your preferences and current situation. If you have always wanted to become the person that you dreamed about, look no further for this is the book that will make the difference.

Chapter 1: Ready for the Race of Your Life Chapter 2: Take the First Step Chapter 3: Land a Career without a High School Diploma Chapter 4: Land a Career without a College Degree Chapter 5: go to College For Free Chapter 6: Graduate with a Bachelor's Degree in 1 Year Chapter 7: Change Careers Without Going Back to College Chapter 8: Get Paid to Support a Charitable Cause Chapter 9: Make a Full-Time Income Working Part-Time Hours Chapter 10: Work From Home For The Rest of Your Life Chapter 11: Make a 6 Figure Salary in Real Estate Without a License or Prior Experience Chapter 12: At the Crossroads Chapter 13: Almost There Chapter 14: Reaching the Finish Line Chapter 15: More Options to Consider

From the Inside Flap "Reaching The Finish Line is a must read for anyone who is looking to discover the champion inside them. Kallen truly delivers in this inspirational and practical guide to success." -Bethany Marshall, The Ultimate Fighter "Kudos to Kallen for putting together such a wonderful resource. Read this book to learn how to get a great career despite your educational background and most importantly how to get your mental fitness in order. His keen insight and dedication to articulate such a powerful message is priceless." -Ben Fuchs, The Anti-Drug Pharmacist Host of the Nationally Syndicated Radio Show: The Bright Side

From the Back Cover Are you reaching the finish line? Maybe you are one of those people that have been led down a trail of bad luck. You are frustrated but realize that it won't help to continue to feel that way. Isn't it time that you start reaching the finish line? Success is only made available to those who constantly pursue it. The finish line awaits you. You can stare in the distance or make your way to it. The most powerful question that you can ask yourself everyday is: "Am I reaching the finish line?" Let Reaching The Finish Line be your compass! "If you are unemployed, underemployed, or simply hate your job, Kallen will teach you how to reach the finish line." -Gordon D'Angelo, Founder of Jackson Hewitt Author of the NY Times Bestselling Book - Visions: A Pathway to Victory
