Ronald W., Sr. Rebore, Angela L. E. Walmsley : Recruiting and Retaining Generation Y Teachers before purchasing it in order to gage whether or not it would be worth my time, and all praised Recruiting and Retaining Generation Y Teachers:

Engage a new generation of teachers to create effective learning communities!nbsp;Administrators will find a research-based framework for hiring and retaining Generation Y educators, whose exposure to technology and diversity makes their perspectives dramatically different from previous generations. The authors offer guidelines for welcoming new candidates into a learning community and developing appropriate professional development programs and

assessments. A wide range of case studies and extensive exercises help school leaders: Identify Generation Y educators's learning, communication, and work styles Recruit, interview, and hire candidates in support of existing goals Evaluate school culture and promote cross-generational teamwork Communicate effectively with all staff members
