International Monetary Fund : Regional Economic Outlook, October 2007: Sub-Saharan African before purchasing it in order to gauge whether or not it would be worth my time, and all praised Regional Economic Outlook, October 2007: Sub-Saharan African:

The region's prospects look strong. Growth in sub-Saharan Africa should reach 6 percent in 2007 and 6frac34; percent in 2008. The economic expansion is strongest in oil exporters but cuts across all country groups. This would extend a period of very good performance. In recent years, sub-Saharan Africa has been experiencing its strongest growth and lowest inflation in over 30 years.
