Erik Herman, Sarah Rocha : Resume Buzz Words: Get Your Resume to the Top of the Pile! before purchasing it in order to gage whether or not it would be worth my time, and all praised Resume Buzz Words: Get Your Resume to the Top of the Pile!:

0 of 0 people found the following review helpful. It's better to google itBy wanyxieThis book lists a lot of industrial words but nothing really impressive and special. It's better to google it, instead of paying almost 10 dollars. If you are

in a different industry and do the career change, it might be a book for you to read.0 of 0 people found the following review helpful. Must have for Professional Resume WritersBy CustomerI am studying to receive my Professional Resume Writer Certification and I must say this book definitely comes in handy when writing and revising resumes. Having a wide variety of phrases and industry buzz words are essential to creating dynamic resumes! I'm so glad I purchased this book!0 of 0 people found the following review helpful. The word choice is nice!By OC MokaThe word choice was really nice, hence the book served it's purpose. I'm glad I ordered it, if your looking for attractive words to add to your resume it's a good book to have!

A Simon Schuster eBook. Simon Schuster has a great book for every reader.

About the AuthorErik Herman is a book publishing professional and the former editor of National JobBank and local JobBank books, which contain 21,000 profiles of public and private companies in all industries. Mr. Herman received a degree in English from George Mason University. Sarah Rocha received her B.A. in English from Bridgewater State College.
