**Editors of VGM : Resumes for Former Military Personnel (Professional Resumes Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Resumes for Former Military Personnel (Professional Resumes Series):

0 of 0 people found the following review helpful. Great book and well worth the investment. By Michael H. Have used this book several times updating my resume and has helped me secure jobs I have enjoyed and have been well compensated for. Highly recommend purchasing it. 25 of 25 people found the following review helpful. Don't bother with this one! By E. R. Catlin As a tool to aid in "de-militarizing" your resume; some advice; pass this one right on by. It's a poorly disguised generic how to write a resume; some advice; book that offers a few good suggestions in general, but nothing specific to the military. Nothing is addressed about the unique mind-set and terminology that is so predominant in the military, nor does it address the need to translate military terminology and phraseology into non-military friendly wording. If you're looking for information on how to transition your resume; some advice; into

something head-hunters and potential employees would be interested in, keep looking. There are other books that actually understand what it is to be in the military as well as what civilian employers are looking for. I just wish I'd saved my money on this one.

Resumes for Former Military Personnel offers the tools to craft a strong resume that stands out and will lead to interviews and job offers. Up-to-date, professional resume-writing advice details the essential components of successful resumes and cover letters for any profession or background. Includes a variety of resume formats, tips on highlighting strengths and using active vocabulary, and helpful work sheets for gathering personal information.
