Kim Marino : Resumes for the Health Care Professional before purchasing it in order to gage whether or not it would be worth my time, and all praised Resumes for the Health Care Professional:

0 of 0 people found the following review helpful. Get This-Good Healthcare resume bookBy dotsewickI really needed a resume book for healthcare providers. This book is well organized focused. Most resume books overlook the healthcare field. I thank this author for addressing us.0 of 0 people found the following review helpful. OkBy CustomerThere are a lot of good ideas for resumes, but the formats were very plain and it is useful to be able to get graphic ideas from interesting looking resumes. Overall, it was ok for giving you tips on wording and format.0 of 1 people found the following review helpful. Poor serviceBy Joseph PellenbergNo reason to wait three weeks for

delivery, I live only 20 miles away from the dealer. I could have walked there and back quicker, Would never order from the dealer again.
