From Routledge : Rethinking Global Political Economy: Emerging Issues, Unfolding Odysseys (RIPE Series in Global Political Economy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rethinking Global Political Economy: Emerging Issues, Unfolding Odysseys (RIPE Series in Global Political Economy):

Rethinking Global Political Economy contains incisive analysis of history, linguistics, class, culture, empirical data and normative concerns. This important volume presents innovative approaches to fundamental issues in global

political economy. Together they provide multiple arguments and avenues for rethinking global political economy in a time of turmoil and system transformation. It will appeal to those interested in seeing new perspectives and healthy heterodoxy in the study of political economy.

Burch "Presenting innovative approaches to the fundamental issues, this collection provides multiple arguments and avenues for rethinking world political economy in a time of turmoil and system transformation. Contributors consider similar problems from myriad perspectives, examining in particular the process of globalized capitalism and the building of progressive social theory.." -Business Horizons About the Author Mary Ann Teacute;treault is Una Chapman Cox Distinguished Professor of International Affairs at Trinity University, USA.
