Stefan Schepers : Rethinking the Future of Europe: A Challenge of Governance before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rethinking the Future of Europe: A Challenge of Governance:

Rethinking the Future of Europe has brought together three contrasting collections of contributions: the incrementalist perspective concerning the step by step development of Europe, the more radical reform/restructuring approach to the

future of Europe, and a view of Europe from the outside.

About the Author Stefan Schepers is Hon. Director-General at the European Institute of Public Administration, Brussels; Visiting Professor, Northampton University Business School; Director of EPPA, Brussels; and AEAC, Johannesburg, adviser to business and government. He is also a member of the Senate of the European Academy of Sciences and Arts. He is currently Secretary-General of the independent tripartite High Level Group on Innovation Policy Management in the EU. He has published articles on EU and business‐government interactions. Andrew Kakabadse is Professor of Governance and Leadership, Henley Business School, University of Reading, and Emeritus Professor at Cranfield School of Management, UK. Andrew has held and also holds visiting appointments at the Centre for Creative Leadership and Thunderbird, the Garvin School of International Management, USA; at the University of Ulster, UK; and at Macquarie Graduate School of Management, Australia. He has consulted and lectured in every region of the world. His bestselling books include *Leading the Board*, *Rice Wine with the Minister*, *Bilderberg People* and *Leading Smart Transformation*.
